About us

The idea for our café came about during a holiday on the Amalfi Coast in Italy, specifically in Positano. The sight of the colorful houses climbing the steep hills down to the sea left a lasting impression on us. In 2008, we opened Café Positano with a drive-in here in Freital, bringing you a piece of that special atmosphere.

Personal contact with our guests is particularly important to us. Your individual wishes and suggestions are always welcome – we are happy to take the time for you.

Our baked goods, cakes, pastries, and meals are lovingly prepared on-site, following traditional craftsmanship. Enjoy our homemade creations with a good cup of coffee in a relaxed atmosphere.

Thank you for your trust.
